

This sheet is intended to help teachers give assignments that students can work on from home and evaluated while out of school.

The following are common musical terms students can provide definitions that will give them a better understanding of how works should be performed. Students can also be asked to find which of these are included in pieces they've performed or research online for works that include the terms.

TEMPO MARKINGS: Provide definitions

Largo –

Larghetto –

Adagio –

Lento –

Andante –

Adagietto -

Moderato –

Allegretto –

Allegro -

Presto –

Prestissimo –

Ritardando –
